TRAINING CALENDAR

Discover & learn technology, management and strategy skills focused on the Power & Utilities sector. Adopt the latest thinking and technology advances to your operations and be the next leader in your marketplace.

Past Testimonials

“Excellent presenter with deep knowledge of all aspect of solar PV systems, from project phasing, deployment challenges, site suitability arrangements, to business models, etc. Also, very good technical aspects of PV systems.” – Deputy Chief Executive, Energy Market Authority

(Attendee of Masterclass in Solar PV Rooftop Projects 2017)

“The trainer is very experienced and knowledgeable in the nascent technology of energy storage systems. The course was excellently presented and an eye-opener for my utility company.” – Senior Manager (Technical Advisory & Industry Development), Single Buyer TNB

(Attendee of Utility and Community Scale Energy Storage Systems 2017)

“Highly recommended course and facilitator! Outcome exceeded my expectations.” – Assistant Vice President, Team Energy Corporation

(Attendee of Project Finance Financial Modelling for Power Projects 2018)

“An exceptionally good instructor and a very good course for those who seek to understand the design and performance of USC coal plant.” – Chief Engineer, Tenaga Nasional Berhad

(Attendee of Ultra Supercritical Steam Power Plants 2018)

January

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR792	Gas Turbines and Co-Generation Plants	21 Jan to 23 Jan	KL
PWR794	Steam Turbine Technology	24 Jan to 25 Jan	KL
PWR795	Utility and Community Scale Energy Storage Systems	28 Jan to 30 Jan	SG

February

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR796	Advanced Heat Rate Optimization of Coal Power Plants	25 Feb to 27 Feb	KL
PWR797	Coal Mining Fundamentals	25 Feb to 27 Feb	KL
PWR799	Masterclass in Design, Construction, Commissioning and Quality Control of Grid Connected PV Plants	25 Feb to 01 Mar	KL
PWR791	Coal Supply Chain	26 Feb to 28 Feb	Penang
PWR841	Solar Power Purchase Agreements	26 Feb to 28 Feb	SG

March

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR801	Solar Water Heating Systems	19 Mar to 21 Mar	KL
PWR802	Transformer Maintenance	20 Mar to 22 Mar	KL
PWR804	Coal Stockpile Management & Systems	25 Mar to 27 Mar	SG
PWR805	Industrial Instrumentation and Modern Control Systems	25 Mar to 27 Mar	KL
PWR806	Project Finance Financial Modelling for Power Projects	25 Mar to 27 Mar	KL

April

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR814	Load Forecasting in Power Systems	10 Apr to 12 Apr	Manila
PWR842	Fundamentals of Power Systems	15 Apr to 17 Apr	SG
PWR808	Renewable Energy Finance: Preparing and Financing Projects	22 Apr to 23 Apr	KL
PWR809	Volts VAR Optimization	22 Apr to 23 Apr	KL
PWR810	Thermal Power Plant Performance Testing	22 Apr to 24 Apr	KL
PWR812	Deployment of Rooftop Photovoltaic Projects Feasibility, Challenges and Business Models	24 Apr to 26 Apr	KL
PWR813	Diesel Engine Power Plant	25 Apr to 26 Apr	KL

May

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR844	Boiler Tuning	27 May to 29 May	KL
PWR815	Power Purchase Agreements	27 May to 29 May	SG
PWR843	Power System Protection Masterclass	27 May to 31 May	Manila

June

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR816	Life Cycle Assessment, Performance Evaluation and Turnaround Management of Hydro-Electric Power Plants	19 June to 21 June	KL
PWR817	Waste to Energy	24 June to 26 June	KL
PWR818	Commissioning of Electrical Equipment	24 June to 28 June	KL

July

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR819	Electrical Generators, Excitation Systems and Governing Systems	15 July to 19 July	KL
PWR820	Coal: Pit to Port to Power	29 July to 31 July	KL
PWR821	Project Finance Financial Modelling for Power Projects	29 July to 31 July	SG

August

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR822	Diesel Engine Power Plant	01 Aug to 02 Aug	KL
PWR823	Advanced Circulating Fluidized Bed Boilers	05 Aug to 07 Aug	KL
PWR824	Wholesale Electricity Markets	26 Aug to 27 Aug	KL

September

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR825	Best Operation Practices of Hydro-Electric Power Plants	18 Sept to 20 Sept	KL
PWR826	Water Chemistry for Large Utilities Boilers for Chemist & Boiler Engineers	23 Sept to 24 Sept	KL
PWR827	Project Development and EPC Contract Management for Power & Utilities	23 Sept to 25 Sept	SG
PWR828	Utility and Community Scale Energy Storage Systems	23 Sept to 25 Sept	SG
PWR829	Commissioning and Start-Up Activities of Coal Power Plants	23 Sept to 27 Sept	KL
PWR830	Root Cause Analysis for Boiler and Steam Cycle Failures	25 Sept to 26 Sept	KL

October

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR831	Combined Cycle Gas Turbine Performance	21 Oct to 25 Oct	KL
PWR832	Ultra Supercritical Steam Power Plants	29 Oct to 31 Oct	KL
PWR833	Bankability of Solar Projects	30 Oct to 01 Nov	SG

November

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR835	Advanced Heat Rate Optimization of Coal Power Plant	25 Nov to 27 Nov	KL
PWR836	Power Purchase Agreements	25 Nov to 27 Nov	SG

December

Event Code	Topic - Click the title for brochure details	Date	Venue
PWR838	Design of Circulating Fluidized Bed Boilers	02 Dec to 04 Dec	KL
PWR839	Uninterruptible Power Systems (UPS), Variable Frequency Drives (VFD) and Industrial Batteries	05 Dec to 06 Dec	KL
